## PUBLICATION OF ABRIDGED FINANCIAL STATEMENTS IN THE PRESS

We advise our stakeholders that the audit for the year ended 31 March 2021 is in progress and is targeted to be completed in the first half of July 2021. This is due to delays attributable to COVID-19 induced working arrangements which have had staff working from home. These arrangements are in line with the World Health Organisation's and the Ministry of Health and Child Care's recommended mitigatory measures in efforts to fight and contain the COVID-19 pandemic and have been positively impactful. However, interaction and the flow of information between the company and the auditors has slowed down the audit due to these arrangements.

The company applied for, and was granted, one month's extension by the Zimbabwe Stock Exchange (ZSE) which extension requires us to publish the company's abridged audited financial statements for the year ended 31 March 2021 no later than 30 July 2021. We are happy to advise that the abridged audited financial statements will be published in the press and on our website on or before 30 July 2021. Any inconvenience caused by this delay is sincerely regretted.
