

PUBLICATION OF ABRIDGED FINANCIAL STATEMENTS IN THE PRESS

We advise our stakeholders that the audit for the year ended 31 March 2022, which was targeted for completion in August 2022, is still in progress. The delay in publishing the audited financial results is mainly due to the change of auditors that happened in 2021. The company applied for, and was granted, two-weeks' extension by the Zimbabwe Stock Exchange (ZSE), which extension requires us to publish the company's abridged audited financial statements for the year ended 31 March 2022 no later than 15 September 2022. We are happy to advise that the audit finalization is progressing well, and the abridged audited financial statements will be published in the press and on our website on or before 15 September 2022. Any inconvenience caused by this delay is sincerely regretted.
